

REHYDRATION THERAPIES

H2GO - Revitalizing Rehydration \$149

Efficiently hydrate and replenish your cells with more than just water. A combination of potassium, sodium, magnesium and vitamins is delivered directly to the deficient cells. Recent minor illness, minor fatigue and jet lag are just a few examples that could benefit from H2GO I.V. Therapy.

REHYDRATE - Basic Essential Hangover Remedy \$169

Combat oxidative stress by coupling hydration with the powerful antioxidant glutathione to replenish your cells. Rehydrate I.V. Therapy helps to correct and prevent the free radical damage and dehydration that result from dietary or alcohol indulgences, intense workout sessions or demanding schedules.

HYDRAPLUS \$189 Enhanced Athlete Recovery

Severe dehydration and stress as a result of an intense physical workout (ex. recent marathon or triathlon) may require more vigorous treatment with HydraPlus I.V. Therapy.

PERSONALIZED EVALUATION

WHOLE BODY REVIEW \$425

We will personalize a nutrition and supplement plan tailored to the biochemistry of your body. Specialty lab testing will access your vitamin, mineral, antioxidant and amino acid status.

This is a first step to optimizing your health if you suffer from chronic illness, autoimmune disorders or GI issues, or if you are looking for help with anti-aging or improved athletic performance.

Includes initial consultation, follow-up discussion of lab tests, and treatment plan. (Lab copays are additional.)

I.V. Vitamin & Nutrition maximizes the delivery of the essential nutrients that are required for our bodies to function optimally. Water, electrolytes, vitamins, minerals, antioxidants, and amino acids are critical to support the thousands of processes that occur in our bodies every day.

With I.V. administration, these critical nutrients bypass the digestive system and directly access the bloodstream where they can be completely absorbed and utilized.

I.V. Vitamin & Nutrition detoxifies the body by assisting in eliminating waste and promotes health by increasing the efficiency of the many metabolic systems. Some benefits include:

- INCREASED ENERGY
- IMPROVED GUT HEALTH AND IMMUNITY
- ENHANCED WOUND HEALING
- RADIANT SKIN

At AQUA I.V., one of our practitioners will work with you to formulate a therapy specific to you. Treatments are administered in the comfort and privacy of our medical spa or in your own home. Depending on the therapy, bloodwork may be required, and length of treatment will vary according to patients' specific needs.

LET US CUSTOMIZE A PACKAGE FOR YOU - JUST ASK!

Cancellations must be made more than 24 hours before your appointment to avoid a \$50 charge.

There's no need to come to us...
Particularly if you're feeling under the weather. With Aqua I.V. Concierge Service, one of our expert practitioners will bring everything needed for your treatment.

I.V. VITAMIN AND HYDRATION

THERAPIES:

IMMUNITY BOOST

\$200

Give your native immune system a powerful boost. Whether you're battling a chronic illness, overcoming a cold or flu, or simply desire to protect yourself from future infections, Immunity I.V. Therapy will replenish your body with the essential nutrients needed to combat disease. High dose Vitamin C, a complex of B vitamins, and the master antioxidant glutathione are combined to help maximize the potential of your own body to protect itself.

REJUVENATE

\$189*

Regain the essence of youth by restoring your body with the nutrients required for optimal health. Rejuvenate I.V. Therapy supplies your body with critical minerals, electrolytes, and vitamins that are required for countless metabolic processes. By providing these essential building blocks, the body may function at its optimal efficiency, leaving you to feel more vibrant and full of life.

THE METABOLIZER - Fat Burner

\$169*

Increase the efficiency of your body to burn fat, metabolize carbohydrates, and utilize protein. Coupled with a sensible diet and exercise program, Metabolizer I.V. Therapy can help you achieve your weight and body composition goals by maximizing your ability to use food for fuel, instead of being stored as unwanted fat.

HEALER - Healing & Restoration

\$249

Great Boost For Pre/Post Surgery Healing

Maximize the regenerative ability of your body to heal. Provide the essential amino acids, minerals, and vitamins required for wound healing with Healer I.V. Therapy. Whether you have an upcoming elective surgery, are in the postoperative phase, or have suffered minor to major trauma, support your body with the critical components needed to restore you back to yourself.

FOUNDATION - THE BASICS

\$169*

With amino acids: \$189

All great structures need a solid foundation, and our bodies are no different. Bolster your health with Foundation I.V. Therapy to support your cells with the vital minerals and vitamins necessary for peak performance. Add dynamic amino acids to obtain a competitive edge - perfect for athletes, weekend warriors, and exercise enthusiasts.

POWERHOUSE - ATP Energizer Drip

\$189*

Rev up tired cells and empower yourself to take on any challenge with the help of Powerhouse I.V. Therapy. Recharge the metabolic engine of your body with the strength of vitamin B12, taurine, folic acid, and critical minerals.

Prices may vary due to manufacturing costs.

COMPETITIVE EDGE

\$200*

Great Boost Pre/Post Workout

This formula is designed for athletes who want to achieve and maintain their peak performance. Tailored to your specific needs, our formula rehydrates your body and reinvigorates your muscles keeping you fit and on point. This formula includes the full range of B vitamins (B5, B6, B12, and B-complex), key minerals and amino acids which boost your energy, improve recovery and sustain muscle stability. By including carnitine, the body will burn additional fat providing you the energy you need to maintain the competitive edge.

MIND SHARPENER

\$249

Stay focused, stay sharp, stay ahead of the game. Our formula directly improves focus, energy and productivity by combining Carnitine, B-Complex and other essential nutrients. We also include anti-oxidizing, anti-anxiety, and energy enhancing ingredients that give your mind the care it needs to perform at its best and leave you feeling clear-headed and content.

ZEN - The Calming Blend

\$189*

Bring your attention and focus inward with the calming effect of Zen I.V. Therapy. Feeling overwhelmed by outward stresses can wreak havoc inside us. Tryptophan, magnesium and essential amino acids work in concert to correct and prevent free radical damage and to lower our natural response to stress.

RELIEF - PMS

\$169*

Take charge of your monthly cycle instead of it taking charge of you. With Relief I.V. Therapy, an anti-inflammatory, anti-nausea medication and magnesium are combined to calm cramps, combat fatigue, and improve irritability associated with monthly PMS.

GLOW - Age Defying Formula

\$249

Go deeper than the surface to achieve beautiful skin. The effects of inflammation, oxidation, and dehydration can be easily appreciated when we glance in the mirror. Restore the vibrancy of your skin with Glow I.V. Therapy, which supplies your body with the building blocks of collagen and elastin, powerful antioxidants and hydrating electrolytes.

THE ANTIDOTE - The Customized Drip

Cost varies depending on formula

Specific health goals or vitamin/mineral deficiencies can be addressed with our customizable I.V. Therapy. Our providers are happy to discuss your individual needs in order to formulate an I.V. treatment plan that is unique to you.

***ADD GLUTATHIONE: \$50**

BOOSTER SHOTS

Prices may vary due to manufacturing costs.

SLIM SHOT METABOLIZER

If you don't have time for the Metabolizer Therapy, then take a Slim Shot! Increase the efficiency of your body to burn fat, metabolize carbohydrates and utilize protein. Coupled with a sensible diet and exercise program, Slim Shot can help you achieve your weight and body composition goals by maximizing your ability to use food for fuel, instead of being stored as unwanted fat.

Single: \$50

Package: Buy 3 Get 1 Free

B-COMPLEX

Looking to top off your energy with an intense burst of oomph? This supersized combination of B-Complex and B12 vitamins will supercharge your entire system and help convert food into fuel for the body.

Single: \$55

Package: Buy 5 Get 1 Free

VITAMIN D3

Vitamin D3 is important for normal bone development and maintenance. The major role of vitamin D3 is to maintain normal blood levels of calcium and phosphorus. Vitamin D3 may also protect against osteoporosis, high blood pressure, cancer and other diseases.

Single: \$35
